

VSA Michigan-Genesee County is proud to have been honored at the 2015 Priority Children's Annual Children's Champion Awards breakfast.

The 20th anniversary event was held on February 6 at the Riverfront Banquet Center in Downtown Flint with over 1000 people attending. Nine awards and two scholarships were presented; VSAMI-GC was awarded as an Outstanding Business, Organization, Government Agency, or Community Initiative Providing Special Opportunities for Children and Youth. The Children's Champion Awards provide an opportunity to highlight unsung heroes whose efforts improve the lives of children through volunteerism and other initiatives. Over 140 individuals, businesses, organizations and initiatives, whose efforts made a meaningful impact to children were nominated by people in their community. By celebrating the commitments of Children's Champion Award recipients, it is hoped others in the community will be inspired to make Genesee County the best place to raise children.
